

TFS230

230MM FLOOR STRIPPER

The most robust floor stripper in its class

The TFS230 is the latest addition to the surface stripping range, developed to suit various applications and withstand rough site use.

Its features ensure high performance stripping, easy operation and transportation. The operator's comfort and safety is at the heart of the design.

FEATURES

- Kinetic slide mechanism for a rapid and precise movement for high performance stripping
- Robust construction with sealed under carriage
- Height adjustable handle
- 4 position foot pedal
- 2 easy access greasing points for on site maintenance
- Front support wheels for easy operation and transportation

APPLICATIONS

- Removal of Linoleum & Vinyl floor coverings
- Lifting of carpet tiles
- Scraping of backing adhesives & residues

Linoleum Removal
